FBI 17 and 5 to POTOS desk first, FBI 17 to one side FBI 5 to other
 FBI 5 found Macron doc in desk

FBI 17 went to Target day before → used tape on
 desk to seal as definitely privileged material
 inside

FBI 13 went to closet, spent a lot of time
 on box on floor - lots of classified inside

FBI 17 saw pic being set up, doesn't know who set up

 KSV letters in desk drawer

FBI 36 and 5 called for help in storage room

 never personally found any privileged docs in a box

FBI 17 working in back corner of storage room - farthest from door

FBI 17 took papers out - laid down upside down next to box
 then flipped back over when putting back in box

FBI 17 kept everything in order to best of ability
 can't say w/ 100% certainty everything in some order

FBI 17 only worked on 1 box at a time

"can't see that happening" to question of mixing docs
 between boxes

FBI 17 taped & wrote on privileged boxes

boxes kept separate even in different car back to F.O.
